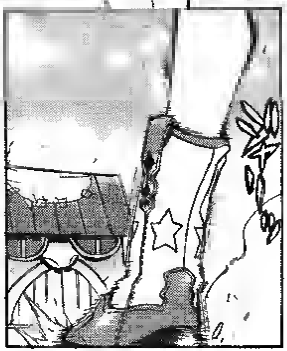
キン肉マン LADY

29th Anniversary

FIGHT 2

Masashi Ogawa

based on Yudetamago's 'Kinnikuman'



Note. This is actually a bit of a parody of a early Kinnikuman chapter where the original Terryman equated Suguru's home as "a pigsty"...and of course with Suguru being infamous for his "pig like appearance"...)

What are you saying?! Don't! Ah! Put it back! Please wear something properly! Enough!!
I'm sorry, Meat~! I'll take it off immediately!!
It's not whether it fits or not! That isn't a good job or a good outfit for the princess of Planet Kinniku to wear!
But this is the uniform of the part-time job I found yesterday!
It's super cute!
Does it fit?
Uuh... Which is it...
... Huh! Princess!!
